

CURRICULUM VITAE

Dr. Sanaz Sohrabizadeh, PhD

Updated: 6.23.2019

Personal Information:

Identification:

Name: Sanaz Sohrabizadeh

Title: Assistant Professor

Place of Birth: Shiraz, Iran

Business Address:

Department of Health in Disasters and Emergencies

School of Public Health and Safety

Shahid Beheshti University of Medical Sciences

Tehran, Iran

Postal code: 5511-198353

Phone: (0098) 21- 22432040-1 (Office)

Cellphone: (0098) 912-0620346

Email: sohrabizadeh@sbmu.ac.ir ssohrabizadeh@gmail.com

Education:

Ph.D.

Health in Disasters and Emergencies

Department of Health in Disasters and Emergencies

Iran University of Medical Sciences, Tehran, Iran, 2011-2014

Dissertation title: "Gender Analysis Factors Applied in Disaster Risk Reduction in Iran"

M.S. Health Services Management
Department of Health Services Management,
Shiraz University of Medical Tehran, Shiraz, Iran, 2009-2011

Dissertation title: "Developing work engagement model among nurses working in teaching hospitals of Shiraz University of Medical Sciences, Shiraz, Iran"

B.Sc. Health Services Management
Department of Health Services Management,
Yazd University of Medical Sciences, Yazd, Iran, 2007-2010

Dissertation title: "Assessing Yazd hospitals through the functional and non-functional indicators, Yazd, Iran"

Academic employment

- Faculty member (assistant professor), Department of Health in Disasters and Emergencies, School of Public Health and Safety, Shahid Beheshti University of Medical Science; February 2016 - present
- Faculty member and research committee member, Injury Prevention and Safety Promotion Research Center, Shahid Beheshti University of Medical Science; December 2018 - present
- Head of Education Development Office (EDO), School of Public Health and Safety, Shahid Beheshti University of Medical Science; September 2018 - present

International Grants & Awards

- Winner of WHO (EMRO) Special Grant for Research in Priority Areas of Public Health, 2018 – 2019.
- Winner of Mary Fran Meyer’s Scholarship, 2017. Colorado University: Natural Hazard Center. USA. 2017
- GGCA Grantee and Gender and Disaster Network (GDN) representative in Innovation Forum; COP22. Morocco; 2016

Honors

- Honor student in PhD degree (2015)
- Honored as the best post-graduate student, Shiraz University of Medical Sciences (2011)
- 1st rank in the National Health Service management MSc Entrance Exam (2008)
- Honored as the best MSc student , Shiraz University of Medical Sciences (2010)
- Honored as the best BSc student, Yazd University of Medical Sciences (2008)
- Member of talented students center, Shiraz University of Medical Sciences (level 1) (2009-2011)
- Honored as the best student of Health Services Management in the 7th annual congress of health service management (2010)
- Honored as the best researcher, School of Public Health, Yazd University of Medical Sciences (2006)

Areas of Interests

- Disaster public health
- Gender and disaster
- Women' health in disasters
- Reproductive health in disasters
- Disaster recovery
- Disaster preparedness
- Vulnerable groups
- Community-based disaster management
- Climate change
- Violence in disasters
- Disaster epidemiology
- Environmental health in disasters
- Men's health in disasters
- Post-disaster assessment

Academic/ Administrative Activities

- Member of Research and Education Committee, School of Public Health and Safety, Shahid Beheshti University of Medical Sciences, 2019-present
- Member of Gender and Disaster Network. (2013-present)
- Member of Scientific Committee of the 9th International Congress of Health in Disasters and Emergencies, Tehran, 2019.
- Lecturer and Member of the Scientific Panel of “Risk Governance Role in Reducing Children’s Vulnerability”. 9th International Congress of Health in Disasters and Emergencies, Tehran, 2019.
- Lecturer and Member of the Scientific Panel of “Resilience Improvement using HSE Indicators”. 9th International Congress of Health in Disasters and Emergencies, Tehran, 2019.
- Organizer of Economic “Sanction Roles in Disaster Health Management”. 9th International Congress of Health in Disasters and Emergencies, Tehran, 2019.
- Organizer and Scientific Secretary of the Scientific Conference of Climate Change, Health and Resiliency. Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2019.
- Organizer and Scientific Secretary of “GIS for Health Research” Workshop. Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2018.
- Organizer and Scientific Secretary of 1th Scientific Conference of Men’s Health in Disasters. Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2017
- Organizer of 1th Scientific Conference of Women and Children in Displacement Crisis. Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2017.
- Organizer and Scientific Secretary of 1th Scientific Conference of Women’s Health in Disasters. Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2016
- Organizer and Scientific Secretary of 1th Scientific Conference of Health System Passive Defense. Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2016
- Member of EDO Committee, School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, Iran; (2015-2017)
- Secretary of Gender and Disaster RoundTable, Tokyo University, Japan, (2014)
- Member of Scientific Committee of the 8th International Congress of Health in Disasters and Emergencies, Tehran, 2016.

- Lecturer and Member of the Scientific Panel of “Vulnerable Group in Disasters”. 8th International Congress of Health in Disasters and Emergencies, Tehran, 2016
- Member of Scientific Committee of National Congress of “Capital Cities Management using Environment Approach”. Health in Disasters and Emergencies, Tehran, 2016.
- Member of Scientific Committee of the 6th International Congress of Health in Disasters and Emergencies, Tehran, 2013.
- Secretary of the youth council of Chancellor of Shiraz University of Medical Sciences. Shiraz, Iran (2010-2011).
- Secretary of the Student Research Committee, School of Health Management and Information Sciences, Shiraz University of Medical Sciences, Shiraz, Iran; (2010-2011)
- Research Secretary of Student Research Center, Shiraz University of Medical Sciences, Shiraz, Iran; (2010-2011)
- Secretary of Policy-Making Council of Scientific Association of Health Services Management. School of Health Management and Information Sciences, Shiraz University of Medical Sciences. (2010)

Teaching Experience

Shahid Beheshti University of Medical Sciences

Graduate Teaching

- Disaster Epidemiology, PhD Students of Disaster and Emergency Health
- Disaster Management, MPH Students
- Specialized English of Health in Disaster and Emergencies, PhD Students of Disaster and Emergency Health
- Environmental Health in Disasters and Emergencies, PhD Students of Disaster and Emergency Health
- Passive defense, PhD Students of Disaster and Emergency Health
- Qualitative Research Methodology, PhD Students of Disaster and Emergency Health
- Medical Informatics, PhD Students of Disaster and Emergency Health
- Medical Informatics, M.S. Students of Ergonomics
- Medical Informatics, M.S. Students of HSE
- Application of GIS in HSE Management, M.S. Students of HSE

Undergraduate Teaching

- Epidemiology of Occupational Diseases, BSc Students of Occupational Health

Tehran University of Medical Sciences

- Disaster Rehabilitation, PhD and MPH Students
- Disaster Rehabilitation, Medical Students, Summer School

Islamic Azad University, Semnan Branch

- Research Methods and Epidemiology, BSc Students of Nursing
- Health Informatics, BSc Students of Nursing
- English, BSc Students of Nursing

Teaching of the Professional Workshops

- Workshop on Qualitative Content Analysis. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, 2018
- The Systematic Literature Review in Health System. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, 2016
- Measurement Tool Design and Validation. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, 2016
- Disaster Recovery. Series of National Workshops of Disaster Health Management and Risk Reduction (DHMR), National Institute of Health Research, Tehran University of Medical Sciences, (2013-2017)
- Disaster Recovery. National Workshop of Disaster Management, National Institute of Health Research, Tehran University of Medical Sciences, (2016)
- Teaching Methods. Iranian Red Crescent Community, Tehran (2016)
- EndNote Software. School of Health Management and Information Sciences, Shiraz University of Medical Sciences, Shiraz (2011)
- Quantitative Research Methodology. School of Health Management and Information Sciences, Shiraz University of Medical Sciences, Shiraz (2011)
- Quantitative Research Methodology. School of Allied Medical Sciences, Shiraz University of Medical Sciences, Shiraz (2011)

Supervisory Activities

PhD Dissertations:

- 1- Farshad Faghieh Solouk. "Designing and Exploring the Conceptual Model of Anti-Social Behaviors among Vehicles Drivers in Iran". (Dissertation in Progress)
- 2- Hasan Ghodsi. "Designing and Measuring the Model of Humanitarian Workers Resiliency in Iran". (Dissertation completed)
- 3- Mandana Mirmohammad Alie. "Designing and Validating the Educational Package of Midwiferies for Providing Reproductive Health Services in Disasters". PhD Dissertation (Dissertation completed)

M.S Thesis:

- Amir Hossein Bahramzadeh. "Risk Assessment of Gas Station: The Case of Tehran Gas Station". (Thesis in Progress) (Co-supervisor)

Funded Research/Grants

- Investigator

- 1- Assessment of Health System Functions in Disaster Affected Regions of Kermanshah Province, Iran (WHO/EMRO Research Grant) (2019-present)
- 2- Analysis of Drought based on Migration Trend in Iran during a 5-year period of Time (1390-1395) and Public Health in Regions Affected by Drought Crisis (Vice- Presidency for Science and Technology, Iran National Science Foundation Research Grant) (2018-present)
- 3- Gender Analysis of Drought Using Geographic Information System (GIS) (1390-1395): The Case of Iran (Shahid Beheshti University of Medical Sciences Research Grant) (2018-present).
- 4- A Systematic Literature Review of Applied Economic Evaluation Methods in Disaster Health Management. (Injury Prevention and Safety Promotion Research Center Research Fund) (2019-present)
- 5- A Systematic Literature Review of Applied Community-based Disaster Risk Reduction Methods. (Injury Prevention and Safety Promotion Research Center Research Fund) (2019-present)
- 6- Gender and Age Analysis of Road Traffic Injuries in a 10-year Interval Time Period. (Injury Prevention and Safety Promotion Research Center Research Fund) (2019-present)

- 7- The Effect of Earthquake on Households Disaster Preparedness: The Case of Kerman Province. (Shahid Beheshti University of Medical Sciences Research Fund) (2018-present)
 - 8- Women's status in disaster management systems of Iran (Shahid Beheshti University of Medical Sciences Research Grant) (2016-2017).
 - 9- Women's health challenges in disasters: The case of twin earthquake of East Azerbaijan (Shahid Beheshti University of Medical Sciences Research Grant) (2016-2017)
 - 10- Developing a valid and reliable gender analysis tool applied in disaster health management (Shahid Beheshti University of Medical Sciences Research Fund) (2016-2018).
 - 11- Exploring the urgent effects of climate change in Iran. (Shahid Beheshti University of Medical Sciences Research Fund) (2016-2018).
 - 12- Exploring the research priority needs of disaster and emergency health discipline. (Shahid Beheshti University of Medical Sciences Research Fund) (2016-2017).
 - 13- Developing disaster earthquake plan for School of Health, Safety and Environment (HSE) (Shahid Beheshti University of Medical Sciences Research Fund) (2016-2018).
 - 14- A Systematic Review of Community-based Disaster Risk Management Literature published by Health-affiliated Scholars (National Institute of Health Research, Tehran University of Medical Sciences Research Fund) (2014-2016).
 - 15- The Study of OCB and ACB using SEM Technique on the staff of Shiraz University of Medical Sciences (Shiraz University of Medical Sciences Research Fund) (2011-2012)
 - 16- Development of Justice Model in Relation to Self-belief on the Student of School of Health Management and Information Sciences in Shiraz University of Medical Sciences (Shiraz University of Medical Sciences Research Fund) (2010-2011)
 - 17- The Study of "Similar to me Effect" among the managers of Shiraz University of Medical Sciences (Shiraz University of Medical Sciences Research Fund) (2010-2011)
- **Co-Investigator**
- 18- A Systematic Literature and Meta-Analysis of Violence against EMS at the time of Providing Medical Care Services (Shahid Beheshti University of Medical Sciences Research Fund) (2018-present)

- 19- Physical seismic vulnerability assessment of neighborhood emphasizing on critical land uses in one of the districted regions in Tehran (Shahid Beheshti University of Medical Sciences Research Fund) (2017-2018)
- 20- Developing the valid and reliable tool for hospital preparedness in radiological and nuclear events (Health Metric Research Center, ACECR, Tehran, Iran) (2016-2017)
- 21- Development of national disaster rehabilitation plan for Iran (National Institute of Health Research, Tehran University of Medical Sciences Research Fund) (2013-2014).
- 22- Developing a valid and reliable disaster preparedness tool for community surveys (National Institute of Health Research, Tehran University of Medical Sciences Research Fund) (2013-2015)
- 23- The Study of Functions and Job Satisfactions of Health Services Management Graduated Students Working in Shiraz University of Medical Sciences (Shiraz University of Medical Sciences Research Fund) (2010-2011)

Presentation in International Congress

- 1- Exploring Public Health Challenges of Vulnerable Groups in the Flood-affected Regions. 9th International Congress of Health in Disasters and Emergencies. Tehran, 2019.
- 2- Needs, Capabilities and Opportunities of Women in Disasters. 8th International Congress of Health in Disasters and Emergencies. Tehran, 2017.
- 3- People, Gender and Policy on a Changing Planet ‘GGCA Innovation Forum ‘COP22 ‘ Morocco ‘2016.
- 4- Feasibility of Applying Women in Naval Search and Rescue teams: A Comparative Study. 2th International Symposium on Naval Preventive Medicine. Bandar Abbas, Iran, 2016.
- 5- Mainstreaming Women’s Capacity to Disaster Management System of Iran: A Qualitative Study. 7th International Congress of Health in Disasters and Emergencies. Tehran, 2016.
- 6- The Case Study of Physical and Psychological Consequences of Garbage Site among Survivors and Rescue Teams Members, 2013. 7th International Congress of Health in Disasters and Emergencies. Tehran, 2015.

- 7- Women, Disasters and Challenges: A case study from Iran, XVIII ISA World Congress of Sociology, Japan, 2014.
- 8- Women Roles in Natural Disasters: The Case of Eastern Azerbaijan Twin Earthquakes. 6th International Congress on Health in Disasters and Emergencies. Tehran, 2014.
- 9- The Status of Disabled People in Iran's Disaster Management: A Literature Review. 6th International Congress on Health in Disasters and Emergencies. Tehran, 2014.
- 10- The clinical effects of Zarghan Chemical Incidents among the citizens, children and pregnant women living around the affected factory. 5th International Congress of Health in Disasters and Emergencies. Tehran, 2012.

Presentation in National Congress

- 11- Justice Model and Self-belief among the Student of School of Shiraz University of Medical Sciences. 8th Annual Congress of Health Services Management Students. Ahvaz, Iran, 2011.
- 12- Applying the talent-based Management System in Shiraz University of Medical Sciences. 2th Congress of the West Medical Universities. Sanandaj, Iran, 2011.
- 13- Development of ABC System in Radiology Ward of Hafez Hospital. 7th Annual Congress of Health Services Management Students. Kerman, Iran, 2010.
- 14- Measuring the Attitude of Yazd University of Medical Sciences Managers about the Weaknesses and Strengths of their Section for using Benchmarking. 5th Annual Congress of Health Services Management Students. Tabriz, Iran, 2007.
- 15- Measuring the awareness of senior management of Yazd University of Medical Sciences about WHO. 2th Health Sciences Seminar, Tehran University of Medical Sciences, 2006.
- 16- Measuring Functional Indicators of Yazd Hospitals in 2004. 3th Annual Congress of Health Services Management Students. Tehran, Iran, 2005.

Scientific Lectures in Panels and Conference

- 1- Socio-economic Dimensions of Climate Change. Scientific Conference of Climate Change, Health and Resiliency. School of Public Health and Safety, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2019

- 2- The World Disaster Report, 2016. 1th Symposium of public Health Specialists, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2018
- 3- Nutrition and Food Safety Challenges in Disasters. Scientific Conference of Nutrition in disasters. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2017
- 4- Men's Health in Disasters: Challenges and Implications. Scientific Conference of Men's Health in Disasters, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2017
- 5- Women's Roles in Response to Climate Change. Climate Change Panel. Iran's Scientific Policy Research Center. Tehran, Iran; 2017
- 6- Displaced Women's Health Challenges and Implications. Scientific Conference of Women and Children in Displacement Crisis. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2017
- 7- Principles of Passive Defense in Health System. Scientific Conference of Health System Passive Defense. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2016
- 8- Women's Health Dimensions and Challenges in Disasters. Scientific Conference of Women's Health in Disasters. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2016
- 9- Implications for Disaster and Emergency Health Curriculum. Panel of Curriculum Revision. 1th Symposium of Disaster and Emergency Health Scholars. Ministry of Health, Tehran, Iran; 2016
