

CURRICULUM VITAE

Dr. Katayoun Jahangiri

MD, MPH, PhD

Personal Information:

Updated: 10.18.2023

Identification:

Name: Katayoun Jahangiri

Title: Full Professor

Place of Birth: Tehran, Iran

Birth Date: 7 December 1968

Business Address:

Department of Health in Disasters and Emergencies

School of Public Health and Safety

Shahid Beheshti University of Medical Sciences

Tehran, Iran

Postal code: 5511-198353

Phone: (0098) 21- 22432040-1 (Office)

Email: katayounjahangiri@yahoo.com

k.jahangiri@sbm.ac.ir

Identifiers:

Research ID: L-9011-2017

ORCID 0000-0003-2061-1418

Research Fields:

Disaster Medicine, Public Health, Health in Disasters, Emergency Medicine, Disaster Management, Health Care Management, Health Services Management, Women's Studies, Natural Hazard, NATECH accidents

Education:

Ph.D. Health Services Management
Department of Health Services Management
School of Health Management and Information Sciences
Iran University of Medical Sciences, Tehran, Iran, 2003-2008

Dissertation title: “Designing a community-based model for disaster management in Iran”

M.P.H. Research in Health Systems
School of Public Health
Tehran University of Medical sciences, Tehran, Iran, 2001-2002

Dissertation title: “Prevalence of chronic cough in Iran based on 2 National Health Surveys”

M.D. Doctor of Medicine
School of Medicine, Tehran Medical Sciences Branch
Islamic Azad University, Tehran, Iran, 1987-1994

Dissertation title: “Cholesteatoma and therapeutic methods”

High School Diploma in Experimental Sciences

Mehrnam High School, Tehran, Iran, 1986

Academic Employment

- Head of Department, Department of Health in Disasters and Emergencies, School of Public Health and Safety, Shahid Beheshti University of Medical Science, Tehran, Iran; Sep 2020- Present
- Vice Director for Research Affairs, Safety Promotion and Injury Prevention Research Center, Shahid Beheshti University of Medical Science, Tehran, Iran; Jan 2020- Sep 2020
- Faculty member (Associate professor), Department of Health in Disasters and Emergencies, School of Public Health and Safety, Shahid Beheshti University of Medical Science, Tehran, Iran; July 2018-Present

- Dean of School of Health, Safety and Environment (HSE) and Faculty member (Associate professor), Department of Health in Disasters and Emergencies, Shahid Beheshti University of Medical Science Tehran, Iran; September 2015-July 2018
- Faculty member (Associate Professor), Family Health Research Department, Health Metrics Research Center, Iranian Institute for Health Sciences Research, ACECR, Tehran, Iran; 2013-2015
- Director of Payesh Clinic and Faculty member (Assistant Professor), Health Services Management Research Department, Health Metrics Research Center, Iranian Institute for Health Sciences Research, ACECR, Tehran, Iran; 2003-2013
- Researcher in Population Laboratory Research Center, Vice Chancellor for Research, Tehran University of Medical Sciences, Tehran, Iran; 2001-2002
- Tuberculosis Program Coordinator and Epidemiologist, Health Care Management Center, Kermanshah University of Medical Sciences, Kermanshah, Iran; 1999-2001
- Head and physician of Hajdaee Urban Health Center, Kermanshah University of Medical Sciences, Kermanshah, Iran; 1996-1999
- Provincial Trusted Physician, Deputy of Treatment, Kermanshah University of Medical Sciences, Kermanshah, Iran; 1995-1996
- Physician, Emergency department, Imam Khomeini General Hospital, Mahalat, Markazi Province, Iran; 1994-1995

Honors & Awards

- 1st rank PhD graduates in Health Services Management (GPA: A+), Iran University of Medical Sciences, Tehran, Iran; 2008
- 1st rank in the Master of Public Health(MPH) Entrance Exam; 2001
- Awarded Special Prize at The third Professor Hessabi Festival for Top Iranian Theses, as for supervising Vida Sadeghian's PhD dissertation entitled "Designing a community participation management model to control the epidemic of heart coronary artery diseases", Islamic Azad University, Science and Research Branch, Tehran, Iran; 2020

- Awarded at the 13th University Educational Festival for Designing a Safety Training Site to simulate working at high altitudes, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2018
- Awarded as a member of the top educational department at the 13th Educational Festival of University, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2018
- Appreciated at the 12th University Educational Festival for participating in the implementation of the Institutional and International Accreditation program of the University, Shahid Beheshti University of Medical Sciences, Tehran, Iran; May 2017
- Appreciated at The 11th University Educational Festival for participating in the Rad Project, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2016
- Awarded as the top author for writing a book titled “Principles of community-based disaster management”, Prepared City Festival held by Tehran Disaster Mitigation and Management Organization(TDMMO), Tehran, Iran; 2015
- Awarded as the top speaker at 2nd National and 1st International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2013
- Appreciated for having co-operation with the Policy Making Council of Iranian National Health Scientific Map by Minister of Health, Tehran, Iran; 2011
- Awarded as the top Researcher at the 1st Abu-Reihan Empirical Research Festival in Urban and Regional Management Research area, Tehran, Iran; May 2009
- Awarded as the Best Health Researcher ,1st Safe Community Research Festival, held annually by Ministry of Health and Medical Education, Iran; 2008

Areas of Interests

- Public Health in Disaster
- Disaster Management
- Man-made Disasters
- Women’s Health in Disasters
- Disaster Epidemiology
- Disaster Medicine
- Vulnerable Groups
- Health Care Management
- Public Health
- Community-Based Disaster Management
- Climate Change
- Violence in Disasters

Academic/ Administrative Activities

- Editor-in-Chief of Scientific Journal of Safety Promotion and Injury Prevention affiliated to Safety Promotion and Injury Prevention Research Center, Shahid Beheshti University of Medical Science, 2019-Present
- Member of The Islamic Republic of Iran Medical Council, 1994-Present
- Member of National (Iranian) Health in Disasters and Emergencies Scientific Board, responsible for assessment, evaluation and planning, Ministry of Health and Medical Education, 2015- Present
- Member of National Elite Board on Iranian Presidential National Flood Report, 2019-Present
- Member of Institutional Research Ethics Committee, School of Public Health and Neuroscience Research Center, Shahid Beheshti University of Medical Sciences, 2018-Present
- Member of Institutional Education and Research Committee, School of Public Health, Shahid Beheshti University of Medical Sciences, 2020-Present

- Member of the High Council of “Health Management in Mass Gathering Research Center” related to Iranian Red Crescent Society, 2019-Present
- Referee of Experience Registration System, Management Development Center of Ministry of Health and Medical Education, 2018-Present
- Member of EDO Committee, School of Public Health and Safety, Shahid Beheshti University of Medical Sciences, 2018-present
- Member of the Strategic Council of Preventive Medicine and Health Promotion Network of University, Shahid Beheshti University of Medical Sciences, 2017-present
- Head of Research and Education Committee, School of Health, Safety, Environment, Shahid Beheshti University of Medical Sciences, 2015-2018
- Head of Cultural Council, School of Health, Safety, Environment, Shahid Beheshti University of Medical Sciences, 2015-2018
- Vice-chairman of Public Health and Safety Committee and Member of policy making council and Scientific Committee of the 9th (2019), 8th (2017), 7th (2016), 6th (2014), 5th (2012), International Congress of Health in Disasters and Emergencies, Tehran, Iran.
- Member of Scientific Committee of the National Conference in The Management of Megacities with Reference to Environment, Tehran, Iran, 2017
- Member of the Board of Directors of the Scientific Meeting titled: “Iran 's Horizons of Progress”, held by Center of the Islamic-Iranian Model of Progress, Tehran, Iran, 2017
- Organizer and Scientific Secretary of the Scientific Conference of Health of women and children in displacement crisis. Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2017.
- Organizer and Scientific Secretary of the Scientific Conference titled “health management in disasters”. Academic Center for Education and Research (ACECR), Tehran, Iran; 2015.
- Organizer and Scientific Secretary of the Scientific Conference of Food Security and Nutrition in Disasters. Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2017
- Scientific Secretary of the first Scientific Conference of Women and Children in Displacement Crisis. Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2017.
- Organizer and Scientific Secretary of first Scientific Conference of Women’s Health in Disasters. Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2016

- Organizer and Scientific Secretary of first Scientific Conference of Health System Passive Defense. Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2016

Teaching experience

▪ Teaching in universities and higher education institutes

Shahid Beheshti University of Medical Sciences

- Disaster Management: Residents of Social Medicine
- Public Health in Disasters: PhD Students of Health in Disasters and Emergencies
- Communication in Disasters: PhD Students of Health in Disasters and Emergencies
- Man-Made Hazards and Complex Emergencies: PhD Students of Health in Disasters and Emergencies
- Risk Analysis: PhD Students of Health in Disasters and Emergencies
- Health services management in disaster situation: PhD Students of Health in Disasters and Emergencies
- Community Based Disaster Management: PhD Students of Health in Disasters and Emergencies
- Disaster Epidemiology: PhD Students of Health in Disasters and Emergencies
- Communicable Diseases in Emergencies: PhD Students of Health in Disasters and Emergencies
- Psycho-Social Aspects of Disasters: PhD Students of Health in Disasters and Emergencies
- Passive defense: PhD Students of Health in Disasters and Emergencies
- Humanitarian Actions and Organizations: PhD Students of Health in Disasters and Emergencies
- Principles of Disaster Management: MSc Students of HSE
- Health Management in Disasters: MPH Students
- Mental Health in Disasters: MPH Students
- Disaster risk management in Biological Threats: MPH Students
- Health Policy making in disasters: MPH Students

Iran University of Medical Sciences

- Public health in disasters: PhD Students of Health in Disasters and Emergencies
- Disaster Epidemiology: PhD Students of Health in Disasters and Emergencies
- Man-made Hazards and complex emergencies: PhD Students of Health in Disasters and Emergencies
- Medical Semiology: BSc students of Medical Librarianship and BSc students of Health Information Technology
- Drug Cycle Management: BSc students of Health services management

Islamic Azad University, Science and Research Branch, Tehran

- Strategic management and planning in health sector: MSc and PhD Students of Health Services Management
- Hospital evaluation: MSc and PhD Students of Health Services Management
- Management seminar: MSc and PhD Students of Health Services Management

Iran Helal Institute of Applied Science and Technology

- Nutrition and health in disaster: BSc students of Relief and Rescue Management
- Disaster assessment: BSc students of Relief and Rescue Management
- Disasters and development: BSc students of Relief and Rescue Management
- Disaster management (1): BSc students of Relief and Rescue Management
- Disaster management (2): BSc students of Relief and Rescue Management

Natural Disasters Higher Education Institute of Applied Science and Technology

- Disaster management /advanced: MS students of Natural Disaster Management

Kermanshah University of Medical Sciences

- Internal-surgical Medical Paramedics: BSc students of paramedics
- General Medicine: BSc students of paramedics

▪ **Virtual teaching**

- Designing and implementing Virtual training course titled “Factors affecting women's health in disasters”, Shahid Beheshti University of medical sciences
- Designing and implementing Virtual training course titled “Management of Blast Injuries”, Shahid Beheshti University of Medical Sciences
- Designing and implementing Virtual training course titled “Health Response in Disaster Situation”, Shahid Beheshti University of Medical Sciences
- Designing and implementing Virtual training course titled “Health Response in Disaster Situation”, Smart University of Medical Sciences
- Designing and implementing Virtual training course titled “Health Response in Disaster Situation”, Smart University of Medical Sciences, Tehran, Iran
- Designing and implementing Virtual training course titled “Risk Communication in Disasters”, Shahid Beheshti University of Medical Sciences, Tehran, Iran
- Designing and implementing Virtual training course titled “Introduction to Disaster Epidemiology”, Smart University of Medical Sciences, Tehran, Iran

▪ **Teaching of the Professional Workshops**

- Series of Webinars on “The Humanitarian Charter and minimum standards in humanitarian response (the SPHERE project): Core Standards, WASH, Nutrition and Food security, Shelter, Health”. Ministry of Health, Treatment and Education, Tehran, September to December 2020
- Workshop on “Covid-19 and life style”. School of Public Health and Safety, Shahid Beheshti University of Medical Sciences, Tehran, 2020
- Webinar on “Health management in multi-hazards scenario: Izmir earthquake and Covid-19 case study”. School of Public Health and Safety, Shahid Beheshti University of Medical Sciences, Tehran, 2020
- Workshop on “Hospital preparedness in disaster management”. TOM (Training of Managers), Ministry of Health, Treatment and Education, Ahvaz, 2018

- Workshop on “Principles of Disaster Management in Health Sector”. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, 2018
- Workshop on “Hospital preparedness in disaster management”. TOM (Training of Managers), Ministry of Health, Treatment and Education, Tehran, 2017
- Workshop on “Hospital preparedness in disaster management”. TOM (Training of Managers), Ministry of Health, Treatment and Education, Kerman, 2017
- Workshop on “Women and Children in Displacement Crisis” Shahid Beheshti University of Medical Sciences, Tehran, 2017
- Health Emergency Preparedness and Response Course (HEPR), TUMS & UNICEF, Tehran, Iran, 2017
- Workshop on Nutrition in disaster School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, 2017
- “Emergency Preparedness and Response Workshop: WASH”. Ministry of Interior (National Disaster Management Organization) and UNICEF, Mashhad, Iran, 2017
- Workshop on “Triage ESI”. Labbafinezhad Hospital, Shahid Beheshti University of Medical Sciences, Tehran, 2016
- Workshop on “Hospital Emergency and Disaster Management”. Disaster Risk Management Office, Ministry of Health, Tehran, 2016
- Workshop on “Women’s Health in Disasters” Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2016
- “Problem solving in Health System”. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, 2016
- “Writing a Disaster plan”. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, 2016
- “Community based Disaster management”. National Workshop of Disaster Management, National Institute of Health Research, Tehran University of Medical Sciences, 2016
- Workshop on “Effective Communication with Patients”. The Iranian Hospital, Dubai, the United Arab Emirates, 2011

- In-service training course of “Disaster Assessment for Field Managers”. Iranian Red Crescent society, Alborz Province, 2011
- Professional course of Disaster Management for training of trainers (TOT), Iran Helal Institute of Applied Science and Technology, Tehran, Iran, 2011
- Professional course of Disaster Management for Training of Trainers (TOT), Institute of Higher Education in the Water and Power Industry, Tehran, Iran, 2011 & 2012
- Workshop on “Research Methods in health system”. Iranian Red Crescent society, Tehran, 2010
- Workshop on “Principles of planning in disasters”. ACECR, Tehran, Iran, 2009
- Workshop on “Reproductive Health in Disasters”. Ministry of Health and Tehran University of Medical Sciences(TUMS), Tehran, 2007
- Workshop on “Emergency Planning and Incident Command System(ICS)”, Iranian Mines and Mining Industries Development and Renovation Organization (IMIDRO), Tehran, 2007
- Workshop on “Strategic Planning”, Iranian Institute for Health Sciences Research(IHSR), Tehran, 2006
- Workshop on disaster management for schools, Ministry of Education, Tehran, 2006

Supervisory Activities

PhD Dissertations:

- Ali Khodadadzadeh. "Designing a national Model for Vehicle Occupants' Safety Promotion against Fire", Shahid Beheshti University of Medical Sciences, 2019
- Ali sahebi. “Designing and Validation a predictive model for Emergency Evacuation Time in Hospital Fire”. Shahid Beheshti University of Medical Sciences, 2021
- Ardeshir sayah mofazali. "Designing a foresight model in earthquake risk management in Iran", Institute of Humanities and Social Studies, Academic Center for Education and Research(ACECR), 2016

- Azadeh Fatehpanah. "Designing an integrated model of indigenous and modern knowledge for confronting with healthy water consequences of drought", Shahid Beheshti University of Medical Sciences, 2020
- Faranak Jafari. "Designing a Good Governance Model in Iran's Health System", Islamic Azad University, Science and Research Branch, Tehran, 2018
- Golrokh Atighechian. "Designing the model for response to man-made disasters: oil spill to water resources in Iran", Iran University of Medical Sciences, 2016
- Mehdi Safari. "Designing a Model for Disaster Risk Governance for Iran", Iran University of Medical Sciences, 2020
- Mohammad Taheri Namaghi. "Designing a clinical risk management model for cardiac patients in Mashhad teaching hospitals", Islamic Azad University, Science and Research Branch, Tehran, 2020
- Parvin Shafeie Moghadam. "The Foresight of Health Consequences of NaTech Events of Toxic Chemical Release in Earthquake at an oil Refinery Complex", Shahid Beheshti University of Medical Sciences, 2022
- Rahimali Sheykhi. "Developing a context bound model for community based disaster risk management in Iranian religious communities", Iran University of Medical Sciences, 2020
- Reyhaneh Mojdehkar. "Localization of Fairness Benchmarking for Health Sector Reform in Iran", Islamic Azad University, Science and Research Branch, Tehran, 2019
- Sadegh Yusefnejad. "Designing a model for control of water and foodborne diseases after natural disasters in Iran", Shahid Beheshti University of Medical Sciences, 2019
- Saeide Aghamohamadi. "Foresight Model for Inpatient Beds in Educational hospitals of Iran: Vision 2035", Islamic Azad University, Science and Research Branch, Tehran, 2016
- Sedigheh Taghavi. "Designing a Customer Relationship Management Model with human factors approach in teaching hospitals of Tehran"

- University of Medical Sciences", Islamic Azad University, Science and Research Branch, Tehran, 2016
- Seyed Hosein Kasaiefar. "Comparing the Effectiveness of Endoscopic Surgery in Comparison with Conventional Sinus Frontal Surgery in Amir-Alam Hospital and Imam Khomeini Hospital Complex", Tehran University of Medical Sciences, 2014
 - Shiva Yusefian."Developing a Model, Construction and Psychometric of tools for Assessing of Intra-Sectoral Collaboration Function of the Health System in Natural Disasters", Shahid Beheshti University of Medical Sciences, 2021
 - Somaye Nouri. "Designing a Prioritization Model for allocation of Health Services Resources in Health Organization of Petroleum Industry of Iran", Islamic Azad University, Science and Research Branch, Tehran, 2017
 - Vida Sadeghzadeh. "Designing a community participation management model to control the epidemic of heart coronary artery diseases for province of Tehran", Islamic Azad University, Science and Research Branch, Tehran, 2018
 - Zeinab Abbasi Sanjedari. " Designing a Quality Management Model for Tehran University Medical Sciences Hospitals based on accreditation approach", Islamic Azad University, Science and Research Branch, Tehran, 2017

M.S Thesis:

- Akram Norouz Jam. "The relationship between organizational social capital with health care services quality of health center in Shahre Rey district", Islamic Azad University, Science and Research Branch, Tehran, 2017
- Ali Mirsoleymani. "The effect of Education on Response process to to MCI in 15 Khordad Hospital's nurses: an interventional study", Islamic Azad University, Science and Research Branch, Tehran, 2014

- Andisheh Eslami Shahrabaki." Risk management of Shafa Hospitalin Kerman city against Earthquake:2009", Iran University of Medical Sciences, 2010
- Azam Lari. "Hospital safety index (HSI) analysis in confronting disasters in a general hospital", Islamic Azad University, Science and Research Branch, Tehran, 2012
- Elahe Nasiridoost. "Knowledge, attitudes, practice (KAP Study) in the personnel of TDMMO about capacity building strategies in earthquake risk reduction", Natural Disasters Higher Education Institute of Applied Science and Technology, 2018
- Esmael Jebreili Jolodar." The effect of accreditation on safety in the clinical laboratory in private and training Hospitals of Mazandaran University of Medical Sciences", Islamic Azad University, Science and Research Branch, Tehran, 2017
- Fateme Ghasemi Fard. "Effect of Empowerment of Rural Islamic Councils on the Implementation of Individual Self-Care Programs", Islamic Azad University, Science and Research Branch, Tehran, 2019
- Fatemeh Esmaeeli. "The Relationship of Antibiotics Consumption Standards with the Length of stay in Very Low Birth Weight Newborns in Mahdieh Hospital of Tehran", Islamic Azad University, Science and Research Branch, Tehran, 2018
- Fatemeh Zamanian. "The Relationship between program to promote normal vaginal delivery of Health Sector Evolution and Neonatal Mortality Rate in selective hospitals of Beheshti University of Medical Sciences In Tehran", Islamic Azad University, Science and Research Branch, Tehran, 2016
- Leila Jamshidi. "The relationship between quality of Hospital Information System on preparedness of health information management unit in selected Tehran hospitals in disaster", Islamic Azad University, Science and Research Branch, Tehran, 2017
- Mahdieh Tarka Bidokhti. "The Relationship between the Patient's Safety and Nurses' Team Working in Surgical and Intensive Care Units in Gilan

- Province Selected Hospitals", Islamic Azad University, Science and Research Branch, Tehran, 2015
- Mahshid Sadat Hoseini." Root cause analysis of events affecting the occurrence of medical errors in hospitals of Tehran University of Medical Sciences", Islamic Azad University, Science and Research Branch, Tehran, 2017
 - Maryam Nazari. "Relationship between colleagues' violence and intention to job turnover among the staff of Loghman Hakim Hospital Affiliated with Shahid Beheshti University of Medical Sciences in Tehran", Islamic Azad University, Science and Research Branch, Tehran, 2019
 - Marziyeh Hashemi." The effect of educational program of integrated care for the elderly on the life style of the Elderly Service Package by the Health Care System in Shahroud city 2015", Islamic Azad University, Science and Research Branch, Tehran, 2016
 - Masoume Bagheri Kahkesh. "situation analysis of medicine chain management in rural health houses at Masjed-Soleyman and effect of an educational intervention on process improvement" ,Islamic Azad University, Science and Research Branch, Tehran, 2013
 - Parisa Akbari Dana. "The analysis of hospital climate safety based on selected factors", Islamic Azad University, Science and Research Branch, Tehran, 2017
 - Rokhsareh Baradari, "The Relationship between Information System Compliance and the Information needs of the users with the job Performance of staff at the Jam Hospital in Tehran", Islamic Azad University, Science and Research Branch, Tehran, 2018
 - Saeid Bahramzadeh Gandoshmin. "Study of criteria affecting on the selection of safe places regarding temporary sheltering and optimal location of those places in disaster management: Tehran Municipality", Shahid Beheshti University of Medical Sciences, 2016

- Saeide Aghamohamadi. "Study of Waiting Time in Shahid Dastani's Specialized Clinics Of Shariati Hospital Using By Six Sigma Model", Islamic Azad University, Science and Research Branch, Tehran, 2010
- Samin Nobakht." Relationship between emergency nurses' performance on productivity of Shahid Beheshti teaching hospitals", Islamic Azad University, Science and Research Branch, Tehran, 2015
- Samira Nasiri. "The relationship between staff performance evaluation system and efficiency in University of Medical Sciences in 2016", Islamic Azad University, Science and Research Branch, Tehran, 2017
- Sarira Roshanbakht Fardian. "The impact of voice of customers to improve the quality of Law Enforcement Dental Clinics in Tehran", Islamic Azad University, Science and Research Branch, Tehran, 2018
- Zeinab Lotfi. "A survey of the effect of managers' competencies on organizational performance in Iran University of Medical Sciences' Hospitals", Islamic Azad University, Science and Research Branch, Tehran, 2017

- Designing an national evaluation tool for providing health services to children In the flood-Iran (Shahid Beheshti University of Medical Sciences Research Fund)
- Designing and Validation a predictive model for Emergency Evacuation Time in Hospital Fire(Shahid Beheshti University of Medical Sciences Research Fund)
- Designing emergency plan for Mines Industries (Academic Center for Education and Research (ACECR) Fund)
- Designing Model for Man-made Disasters: Oil Spill in Freshwater Resources in Iran (Iran University of Medical Sciences)
- Designing strategies for community participation confronting natural disaster in Sistan o Baluchistan province: the officials' perspectives (Academic Center for Education and Research (ACECR) Fund)
- Designing the Prediction Model of Fire Consequences in Bootadin Petrochemical Unit of Shazand of Arak (Shahid Beheshti University of Medical Sciences Research Fund)
- Developing a valid and reliable gender analysis tool applied in disaster health management (Shahid Beheshti University of Medical Sciences Research Fund)
- Developing disaster earthquake plan for School of Health, Safety and Environment (HSE) (Shahid Beheshti University of Medical Sciences Research Fund)
- Developing the valid and reliable tool for hospital preparedness in radiological and nuclear events (Academic Center for Education and Research (ACECR) Fund)
- Development of a Gender Analysis Tool related to Iran's Natural Hazards (Shahid Beheshti University of Medical Sciences Research Fund)
- Earthquake preparedness and response: designing an educational model for Tehran's residents (Academic Center for Education and Research (ACECR) Fund)
- Effect of Empowerment of Rural Islamic Councils on the Implementation of Individual Self-Care Programs (Islamic Azad University, Science and Research Branch, Tehran)

- Effect of flour fortification with iron on anemia (Academic Center for Education and Research (ACECR) Fund)
- Efficacy Analysis of Razi Hospital in Tehran (Academic Center for Education and Research (ACECR) Fund)
- Endometriosis and Sexual Health: a systematic review (Academic Center for Education and Research (ACECR), Tehran, Iran)
- Enhancement adsorption of hexavalent chromium onto modified fly ash from aqueous solution; optimization; isotherm, kinetic and thermodynamic study (Shahid Beheshti University of Medical Sciences Research Fund)
- Evaluation of the National Program of Prevention and Control of Hypertension (Center of Diseases Control, Ministry of Health, Treatment and Medical Education)
- Exploring the research priority needs of disaster and emergency health discipline. (Shahid Beheshti University of Medical Sciences Research Fund)
- Financial and Time Simulation in the Safety of construction Industry:Case Study of Tehran's Mosala Project, (Shahid Beheshti University of Medical Sciences Research Fund)
- Gender and Age Analysis of Road Traffic Injuries in a 10-year interval Time Period. (Injury Prevention and Safety Promotion Research Center Research Fund)
- Good Governance in Health System (Islamic Azad University, Science and Research Branch)
- Health Literacy for Iranian Adults (HELIA): development and psychometric (Academic Center for Education and Research (ACECR) Fund)
- Insured rural and provider satisfaction: family physician and referral system (Academic Center for Education and Research (ACECR) Fund)
- Localization of Fairness Benchmarking for Health Sector Reform in Iran, (Islamic Azad University, Science and Research Branch Research)
- Modeling geographical accessibility to medical laboratory services in Iran (Academic Center for Education and Research (ACECR) Fund)
- Opinions Assessment of the residents of district 17 of Tehran about the Tehran-Tabriz Railway crossing (Tehran University of Medical Sciences Research Fund)

- Patient’s Safety and nurses' performance in hospital (Islamic Azad University, Science and Research Branch Research)
- Pattern and nature of Neyshabur train explosion blast injuries (Shahid Beheshti University of Medical Sciences Research Fund)
- Physical seismic vulnerability assessment of neighborhood emphasizing on critical land uses in one of the districted regions in Tehran (Shahid Beheshti University of Medical Sciences Research Fund)
- Physical vulnerability analysis confronting earthquake in 5th Tehran district: 2016 (Shahid Beheshti University of Medical Sciences Research Fund)
- Prevalence of chronic cough in Iran based on 2 National Health Survey (Tehran University of Medical Sciences Research Fund)
- Prevalence of tobacco use among students in district 17 of Tehran (Tehran University of Medical Sciences Research Fund)
- Providing a promotion pattern of process safety laboratory and its implementation in the Department of Industrial Safety, School of Health, Safety and Environment (Shahid Beheshti University of Medical Sciences Research Fund)
- Risk Analysis of ACECR Central Office confronting earthquake (Academic Center for Education and Research (ACECR) Fund)
- Site Selection Criteria for Temporary Sheltering in urban environment by Using Geographical Information System and Fuzzy Logic (Shahid Beheshti University of Medical Sciences Research Fund)
- Situation analysis of Patient Safety in Iran Hospitals based on patient safety friendly hospital standards (Shahid Beheshti University of Medical Sciences Research Fund)
- Survey on violence against Emergency Medical Technicians at workplace: A systematic review and meta-analysis (Shahid Beheshti University of Medical Sciences Research Fund)
- The Analysis of Safety Climate among the Nurses of Shohadaye Tajrish Hospital (Shahid Beheshti University of Medical Sciences Research Fund)
- The Designing of Geographical Access Model to Laboratorial Centers of Medical Diagnosis in Iran (Academic Center for Education and Research (ACECR) Fund)

- The evaluation of non-communicable risk reduction program of Kermanshah' health care providers: An interventional study (Kermanshah University of Medical Sciences Research Fund)
- The Prevalence of Suicide and effective Factors in Iran (Academic Center for Education and Research (ACECR) Fund)
- The Study of Environment Health Challenges of People in rapid response phase in Varzaghan Region after Earthquake (Academic Center for Education and Research (ACECR) Fund)
- The Study of Fire Safety situation in School of HSE and Offering the Corrective Strategies for Prevention and Confrontation with Fire (Shahid Beheshti University of Medical Sciences Research Fund)
- The Study of Flour Fortification with Nutrient Materials in Deylam Province (Academic Center for Education and Research (ACECR) Fund)
- Trend of the mortality in Islamic republic of Iran (Shahid Beheshti University of Medical Sciences Research Fund)
- Women's health challenges in disasters: The case of twin earthquake of East Azerbaijan (Shahid Beheshti University of Medical Sciences Research Fund)
- Women's Health in Disasters (Academic Center for Education and Research (ACECR) Fund)

Scientific Lectures in Panels and Conference (The last 6 years)

- Analysis of Functional Dimensions of Responsible Organizations in the Process of Response to Motor Oil Warehouse Fire in Qazvin City. 9th International Congress of Health in Disasters and Emergencies. Tehran, 2019
- Epidemiological overview of marine events: the need for training in cold water survival practices. 5th National and 3rd International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2019
- Climate Change and Human Health. Scientific Conference of Climate Change, Health and Resiliency. School of Public Health and Safety, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2019

- Root cause analysis of Public health effects and impacts of storms in coastal provinces of Iran. 5th National and 3rd International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2019
- Sanchi tanker accident. 5th National and 3rd International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2019
- Site Selection Criteria for Temporary Sheltering in urban environment by Using Geographical Information System and Fuzzy Logic, Second International Congress of Science and Engineering, Hamburg, Germany, 2018
- Military Involvement in Disaster Management: Advantages and Disadvantages. 4th ICMM Pan-Asia Pacific Congress On Military Medicine; 2018
- Coronary heart disease epidemic control status in Iran and selected countries: a comparative study. 11th Student Conference on Health Sciences, Tehran; 2018
- The World Disaster Report, 2016. 1th Symposium of public Health Specialists, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2018
- Women's Roles in Response to Climate Change. Climate Change Panel. Iran's Scientific Policy Research Center. Tehran, Iran; 2017
- Medical rescue in naval battles. 4th National and 2nd International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2017
- Men's Health in Disasters: Challenges and Implications. Scientific Conference of Men's Health in Disasters, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2017
- Disaster lessons learned: an opportunity to prepare. 8th international conference on integrated disaster management (INDM8); Iran; 2017
- Displaced Women's Health Challenges and Implications. Scientific Conference of Women and Children in Displacement Crisis. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2017
- A Review of the Role of Universities and Higher Education Centers in the Sendai Document. National Research Institute of Ministry of Health. Tehran; 2017
- Bam, Iran, Earthquake Experiences, Life Suddenly Collapse in a Few Seconds. 8th International Congress of Health in Disasters and Emergencies. Tehran; 2017

- Health and Safety of Respondents to Oil and Seafood Accidents. 4th National and 2nd International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2017
- Health surveillance system in mass gathering. 8th International Congress of Health in Disasters and Emergencies. Tehran; 2017
- Improving Seafarers' Health: An Opportunity to Change Behavior and Lifestyle. 4th National and 2nd International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2017
- Knowledge of Karbala pilgrims during Arbaeen religious gatherings on infectious diseases transmission. 8th International Congress of Health in Disasters and Emergencies. Tehran; 2017
- Nutrition and Food Safety Challenges in Disasters. Scientific Conference of Nutrition in disasters. School of Health, Safet and Environment, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2017
- Lesson learned from Neyshabur train explosion, 8th International Congress of Health in Disasters and Emergencies. Tehran, 2017
- Proposal of a Simple Method for Determination of Pavement Emergency Vulnerability (with Emphasis on Earthquake) .8th international conference on integrated disaster management (INDM8); Iran; 2017
- Seabed Search and Rescue for IDPs, Immigrants and Refugees: Challenges and Solutions. 4th National and 2nd International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2017
- Seismic Vulnerability Study of Neighborhood Residential Buildings and Planning Green Areas for Temporary Settlement: A Case Study of Ferdos Neighborhood, District 5 of Tehran Municipality. 8th international conference on integrated disaster management (INDM8); Iran; 2017
- The effect of electromagnetic fields on radar users' health in navigation systems. 4th National and 2nd International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2017
- The Effect of education about Mass Casualty Incidents on Knowledge, Attitude, Practice and Satisfaction of rescue workers of Hamadan Red Crescent Society.8th International Congress of Health in Disasters and Emergencies. Tehran; 2017

- The Role of indigenous Knowledge confronting health effects Impacts of Drought. 8th international conference on integrated disaster management (INDM); Iran; 2017
- Situation analysis of marine EMS in Iran. 4th National and 2nd International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2017
- Principles of Passive Defense in Health System. Scientific Conference of Health System Passive Defense. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2016
- Hospital surge Capacity Management in Methanol Toxicity Crisis: A Case Study from Rafsanjan. 7th International Congress of Health in Disasters and Emergencies. Tehran; 2016
- Women's Health Dimensions and Challenges in Disasters. Scientific Conference of Women's Health in Disasters. School of Health, Safety and Environment, Shahid Beheshti University of Medical Sciences, Tehran, Iran; 2016
- Implications for Disaster and Emergency Health Curriculum. Panel of Curriculum Revision. 1th Symposium of Disaster and Emergency Health Scholars. Ministry of Health, Tehran, Iran; 2016
- Investigating Strategies for Increasing Co-operation of Military and Civilian Forces in disasters. Congress of Martial Medicine, Jondishapur University of Medical Sciences, Ahwaz; 2016
- A Review of Community-Based Disaster Management Experiences in Iran. 7th International Congress of Health in Disasters and Emergencies. Tehran; 2016
- Analysis of Joint drill of EOC and center of the Crisis Management of Oil industry in 2014. 7th International Congress of Health in Disasters and Emergencies. Tehran, 2016
- Analytical review of indigenous knowledge in floods. 7th International Congress of Health in Disasters and Emergencies. Tehran; 2016
- Analytical study of labor-related pulmonary diseases in mineworkers of Iran. National Conference on Risk Management in Underground Mines, Amir Kabir University of Technology, Tehran; 2016
- Experiences of the Oil Industry Preparedness Program in Accidents and Disasters with a Health Approach. 7th International Congress of Health in Disasters and Emergencies. Tehran; 2016

- Public education: The national requirement for disaster preparedness. 7th International Congress of Health in Disasters and Emergencies. Tehran; 2016.
- Risk Assessment of Religious mass gathering in Zanjan: A Case Study of Tasouya. 7th International Congress of Health in Disasters and Emergencies. Tehran; 2016.
- Multiple Risk Zoning in Tehran and Preliminary Evaluation of Physical Infrastructure Resiliency in Tehran. 7th International Congress of Health in Disasters and Emergencies. Tehran, 2016
- Investigation of the Risk of traffic accidents Casualties in Mazandaran Province. 7th International Congress of Health in Disasters and Emergencies. Tehran, 2016
- Survey on type of damages caused by radioactive radiation in nuclear accidents 7th International Congress of Health in Disasters and Emergencies. Tehran; 2016
- Blast Injuries Analysis of Neyshabur train explosion: chemical effects. 6th International Conference on Integrated Disaster Management (INDM6). Iran; 2015
- Applying indigenous knowledge in disaster. Disaster Risk Reduction Conference, Tehran University of Medical Sciences. Tehran; 2015
- Evaluation of Seismic Vulnerability and Performance Analysis of Ferdows Neighborhood Medical Centers, Tehran. 6th International Conference on Integrated Disaster Management (INDM6); Iran; 2015
- A Case Study of Trafficking and Fuel Traffic Accidents. 6th International Congress on Health in Disasters and Emergencies. Tehran, 2014
- Health facility seismic vulnerability evaluation and effectiveness analysis of Ferdos neighborhood in Tehran, Iran. 6th International Conference on Integrated Natural Disaster Management (INDM2014). Mashhad, 2014
- Investigating the harmful Consequences of Tehran Storm: A Case Study. 3rd National and 1st International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2014
- The Role of Responsible Institutions in the Management of the Oil Spill Accident in Zayandeh River. 6th International Congress on Health in Disasters and Emergencies. Tehran, 2014

- Lessons learned about Daichi Fukushima Nuclear Power Plant Disaster: Water Pollution as the Most Important Threat to Health. 3rd National and 1st International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2014
- Survey of South Khorasan Rescuers' Viewpoints on Problems in Relief Process in Zohan earthquake December 2012. 6th International Congress on Health in Disasters and Emergencies. Tehran; 2014
- Tehran Air Quality Survey Using AQI Index: A Case Study of Air Pollution in Rey City. 6th International Congress on Health in Disasters and Emergencies. Tehran; 2014
- A gap analysis of informing Mass Media in Offshore Events: The Case study of the Analysis of Chernobyl catastrophe and its environmental Consequences on human Health. 2nd National and 1st International Conference on Naval Preventive Medicine, Bandar Abbas, Iran; 2013
- Feasibility Study of Community Participation in Disaster Management in Sistan and Baluchestan Province: A Situational Analysis. National Conference on Crisis Management and HSE in lifelines, Industry and Urban management. Tehran; 2013
- Pre-hospital Emergency Performance Based on Duration of EMS arrival time in Yazd 2013. 8th National Congress of Emergency Medicine. Tehran; 2013
- Pre-hospital management of blast injuries and its consequences in victims. 2nd National Conference on Naval Preventive Medicine. Tehran; 2013

Review Activities

Editor-in-Chief

Scientific Journal of Safety Promotion and Injury Prevention affiliated to Shahid Beheshti University of Medical Sciences

Journal Editorial Boards

- Quarterly Scientific Journal of Rescue and Relief, iran helal institute of applied science and technology, Iranian Red Crescent society (2011-present) (Persian Language)

- Payesh (Health Monitor) Iranian Institute for Health Sciences Research (IHS), related to Academic Center for Education and Research(ACECR) (2002- present) (Persian Language)

Journal Review Activities

- BMC Emergency Medicine
- World Journal of Emergency Medicine
- Advances in Environmental and Occupational Safety and Health
- Journal of Injury and Violence Research
- Disaster Medicine and Public Health Preparedness
- Natural Hazards
- Archives of Trauma Research
- African Journal of Microbiology Research
- International Journal of Health System and Disaster Management
- Disaster prevention and management knowledge (Persian Language)
- Iranian Journal of Public Health
- Acta Medica Iranica
- Journal of Health Administration(Persian Language)
- Payesh (Persian Language)
- Medical Journal of the Islamic Republic of Iran
- Journal Trauma Monthly
- Quarterly Scientific Journal of Rescue & Relief (Persian Language)
- Health in Disasters Journal (Persian Language)

Language

- English
- Persian (native)

Entertainments

- Reading books
- Watching films
- Travel
