Selected Educational Background/Qualifications

- MTropPead “Master of Tropical Pediatrics” Liverpool School of Tropical Medicine, UK (2002-2003), Dissertation: Trends in Prevalence of Asthma and Respiratory Disorders in Merseyside/England
- PhD, “Clinical Epidemiology” Liverpool School of Tropical Medicine, UK (2003-2005) Thesis: Maternal Metabolic Gene Polymorphisms and Intrauterine Growth Restriction
- PostDoc (Postdoctoral Research Fellowship), Child & Reproductive Health Group, Liverpool University, England-UK (2005-2007)

Selected Job Experiences

Ministry of
Health & Medical Education

The Chief of Secretariat of National Supreme Council for Health & Food Security (SCHFS) Iranian Ministry of Health & Medical Education (current official position)

Member of National Board of Epidemiology

Shahid Beheshti
University of Medical Sciences

Professor of Clinical Epidemiology, Faculty of Health & Safety Department of Epidemiology, **Shahid Beheshti University of Medical Sciences**

The University Chancellor, Ilam University of Medical Sciences

Selected Courses & Workshops Attended

- Management and Control of Severe Malnutrition in Children; WHO, Geneva/Switzerland
- PCR (RFLP) Genotyping & Sequencing: The University of Liverpool, England
- Data Analysis: Mersey Deanery, Edge Hill University, England
- Critical Reviews and Publication Issues, British Medical Journal, U.C. L., England
- Digital Library, Iranian Ministry of Health & Medical Education, Tehran- Iran
- Crises Management in Disasters, Tehran, Iran

Teaching Experiences

- Modern Epidemiology, Individual Health, Community Health, Maternal ,Child and Reproductive Health, Geriatrics Health, Research Methodology and Statistics, Ethics in Medical Sciences for MSc, PhD, MD and BS students

Research Interests

- Nutrition and Nutritional Status, Maternal and Child Health, Pubic health, metabolic gene polymorphisms, Cancer researches, Communicable & Non-Communicable diseases

Selected Awards & Achievements

- Top Lecturer by the Iranian Ministry of Health and Medical Education
- Excellent Poster Presenter; through a British scientific competition for medical PhD students, Northwest of England (Liverpool, UK)

Selected Memberships

- The National Board of Epidemiology (Iran)
- The Royal College of Pediatric and Child Health (UK)
- The Iranian Society of Epidemiology (Iran)
- The National Council of Non-communicable Diseases (Iran)

Selected International Theses Contributions

- Al-Saqladi A.” Clinical profiles and severity of sickle cell disease in Yemeni children, Liverpool School of Tropical Medicine/UK (PhD Project, completed, 2010)
- Koshy G. “Doctor-diagnosed asthma, pregnancy smoking and risk of obesity in later childhood”, Emma Kinderziekenhuis, Academic Medical Centre, University of Amsterdam, Netherlands (PhD Project Completed, 2012)
- Senga E.L. “Maternal gene polymorphisms and placental malaria in Malawi, Africa”, Emma Kinderziekenhuis, Academic Medical Centre, University of Amsterdam, Netherlands (PhD, 2012)
- Alfadhalah K. “Risk factors associated with nasocomial Methicillin-resistant staphylococcus aureus (MRSA) infection in Kuwaiti adults and children”, Liverpool School of Tropical Medicine/UK (Master of Tropical Pediatrics dissertation, completed, 2006)

Selected Studies Using Research Grants

- Prevalence of hypertension in association with body mass index amongst farmers and workers aged +40 in Ilam, Iran (IUMS/1998)
- A need assessment of continuing education and life learning for medical doctors in Ilam, Iran (IUMS/1999)
- An investigation of knowledge and practice of mothers with severe diarrhea children in Ilam, Iran (IUMS/2000)
- Changes in salivary cotinine levels in asthmatic children in Merseyside, England (LSTM/2004)
- Maternal metabolic gene polymorphisms, pregnancy smoking and intrauterine fetal growth restriction (PhD project, UK/ 2005)
- Interaction of asthma and obesity in later childhood in Merseyside, England (Postdoctoral project, UK/2007)
- Prevalence of diabetes and hyperglycaemia and associated factors (IUMS, Approved research project/2009)

International Presentations			
Date	Setting	Institution	Title
<i>25 Feb. 2005</i>	Birmingham/UK	Achieving Excellence in Public Health, The 8 th Annual Conference, NHS Trust, West Midland (PP)	PASSIVE CIGARETTE SMOKE EXPOSURE IN PRIMARY SCHOOL CHILDREN
<i>19 April 2005</i>	Southport/UK	2 nd Annual Public Health Conference; NHS Trust (England North West) (PP)	HOUSEHOLD SOCIO-ECONOMIC STATUS AND PREGNANCY OUTCOMES
<i>20 April 2005</i>	York/UK	Royal College of Paediatrics and Child Health, 9 th Annual International Meeting, (OP)	ETS EXPOSURE AMONGST PRIMARY SCHOOL CHILDREN IN MERSEYSIDE
<i>2 June 2005</i>	Liverpool/UK	Royal College of Obstetrics & Gynaecology; Annual Blair Bell Conference, Liverpool Women's Hospital (PP)	ASSOCIATION OF THE <i>CYP1A1</i> METABOLIC GENE POLYMORPHISMS AND BIRTH OUTCOMES
<i>20 July 2005</i>	Leeds/UK	The 13 th Multi-disciplinary Iranian Researchers Conference in Europe (OP)	SALIVARY COTININE LEVELS IN ASTHMATIC CHILDREN
<i>6 June 2005</i>	Preston/UK	Postgraduate Researchers in sciences Medicine Conference, (PRISM) (OP)	MEASUREMENT OF COTININE LEVELS IN ASTHMATIC CHILDREN
<i>7 Sep. 2005</i>	Tehran/Iran	The 6 th Royan International Conference on Reproductive Biomedicine (OP)	MATERNAL METABOLIC GENE POLYMORPHISMS AND FETAL GROWTH RESTRICTION
<i>22 Oct. 2005</i>	Paris/France	The 36 th Annual International Conference on Asthma and Respiratory Disorders (PP)	MEASUREMENT OF COTININE LEVELS IN CHILDREN WITH DOCTOR DIAGNOSED ASTHMA
<i>8 April 2006</i>	Torino/Italy	The 19 th European Congress of Obstetrics and Gynaecology	PRENATAL ALCOHOL EXPOSURE AND FETAL GROWTH
<i>29 March 2007</i>	York/UK	Royal College of Paediatrics and Child Health, The 11 th Annual International Meeting	ASTHMA, SMOKING AND OBESITY RISKS IN LATER CHILDHOOD
<i>25 Aug. 2007</i>	Athens/Greece	The 25 th International Annual Congress of Paediatrics (PP)	A DOSE-RESPONSE ASSOCIATION OF MATERNAL SMOKING ON CHILDHOOD ASTHMA
<i>15 April 2008</i>	York/UK	Royal College of Paediatrics and Child Health, The 12 th Annual International Meeting (OP)	A CASE-CONTROL STUDY OF <i>CYP1A1</i> , <i>GSTT1</i> AND <i>GSTM1</i> GENE POLYMORPHISMS AND FETAL GROWTH RESTRICTION
<i>28 Oct. 2008</i>	Nice/France	The second Congress of the European Academy of Paediatrics (OP)	PARENTAL SMOKING AND INCREASED LIKELIHOOD OF FEMALE BIRTH

21 March 2009	Virginia/USA	The International Congress of Women's Health, Institute for Women's Health, Virginia University (PP)	PRENATAL SMOKING EXPOSURE AND ASYMMETRIC FETAL GROWTH RESTRICTION
29 Nov. 2008	Blantyre/Malawi	The 12 th Annual College of Medicine Research Dissemination Meeting	GENETIC POLYMORPHISMS AND PREGNANCY OUTCOMES IN PLACENTAL MALARIA
2 April 2009	York/UK	Royal College of Paediatrics and Child Health, The 13 th Annual International Meeting (OP)	CHILDHOOD OBESITY AS RISK FACTORS FOR ATTENTION DEFICIT HYPERACTIVITY DISORDER
5 Nov. 2009	Tehran/Iran	The 8 th International Congress of Obstetric & Gynaecology (PP)	PREVALENCE OF CARDIOVASCULAR DISEASE IN ELDERLY WOMEN
9 March 2010	Miami/ USA	The14 th International Congress on Infectious Diseases (ICID)	TRENDS AND VARIATIONS OF TUBERCULOSIS IN WESTERN IRAN (2003-2007)
13 Jan. 2010	Tehran/Iran	The 1st Congress on Fertility Preservation (PP)	ASSOCIATION OF OLIGOSPERMIA AND MALE INFERTILITY
14 Feb. 2010	Maharakham /Thailand	The 2nd Annual International Conference of Northeast Pharmacy Research (PP)	TREATMENT OF CUTANEOUS LEISHMANIASIS WITH EUPHORBIA MILLI EXTRACTION IN COMPARISON TO GLUCANTION
5 March 2010	Kish/Iran	The 4 th Middle East Cardiovascular Congress (PP)	hsCRP AND HOSPITAL-BASED PROGNOSIS IN PATIENTS WITH ACUTE CORONARY SYNDROME
15 Sep. 2010	Tehran/ Iran	The 11 th Congress on Reproductive Biomedicine (PP)	QUALITY OF SEMEN; ROLES OF DIETARY FACTORS; A REVIEW OF LITERATURE
3 Dec. 2010	Gwalior/ India	International Symposium on Recent Advances in Ecology and Management of Vectors and Vector Borne Diseases	PLACENTAL MALARIA (PM) AND LEVELS OF DHYDROEPIANDROSTERONE SULPHATE IN SERUM
5 Dec. 2010	Abu Dhabi/UAE	The international Conference on Medical Education (OR)	OBSTACLES OF NURSING EDUCATION IN IRAN
17 May, 2011	Athens/Greece	The16 th International Conference of the A.P.P.A.C. (PP)	ASSESSMENT OF ADOLESCENTS' TENDENCY TOWARD COMPUTER GAMES AND PSYCHOLOGICAL INJURIES
17 Feb. 2011	Venice, Italy	Food Allergy and Anaphylaxis Meeting (PP)	FOOD AND ALLERGY IN PATIENTS WITH CONFIRMED CELIAC DISEASE
20 May 2012	Moscow, Russia	The 2 nd Global Congress for Consensus in Paediatrics & Child Health (OP)	Effects of fast food consumption on anxiety levels in university students
